### The Virginia Association for Infant Mental Health

We need your help by joining or spreading the word to others and inviting them to join so we can grow our membership and begin chapters in local communities. Members receive reduced registration at sponsored training, a voice in developing infant mental health activities in Virginia by also serving on a work group of your choice and networking with others who support Infant Mental Health.

**Annual Membership-\$25**  
(July 1st -June 30th)
