

- **Position Title:** Early Intervention Service Coordinator/Case Manager
- **Program:** Early Intervention
- **Location:** Roanoke, Virginia
- **Position Classification:** Full time
- **Compensation:** Hourly
  
- **Description:** Fun and rewarding position providing quality case management to children from birth to age three with developmental delays or disabilities and their families. Facilitate team meetings and assist in the development of Individualized Family Service Plans to support the learning goals of each child and family. Document and provide services in compliance with federal and state early intervention guidelines and procedures. Monitor service delivery and work with professionals including therapists, school personnel and health providers to help ensure the successful completion of developmental outcomes. Link families with additional community supports and resources.
  
- **Qualifications:** This position requires a broad knowledge of child development, the ability to work collaboratively as part of a team and experience documenting service delivery. Experience working with children with disabilities and working with children in their natural environment is preferred. Education requirements: bachelor's degree in any of the following fields: allied health, child and family studies, counseling, early childhood, human development, human services, music therapy, nursing, psychology, public health, social work, special education.  
Teaching licensure preferred in one of the following: PreK-3, NK-4, PreK-6, or endorsement in special education birth-5. Valid VA driver's license and auto insurance with good driving record required.
