### In This Issue

#### STATE SYSTEMIC IMPROVEMENT PLAN (SSIP)

We continue to make steady progress on the SSIP activities that are underway early in our third year of implementation!

As a reminder, all SSIP-related materials are posted to the SSIP section of our website at <http://www.infantva.org/Sup-SSIP.htm>.

#### "THE LEADER IN ME SERIES"

As you know, this series explores leadership principles that may help you in your unique leadership role whether you are a service coordinator, a provider or a local system manager. The people who make a difference in the lives of young children and families - who provide daily leadership - are not the ones with the most credentials or the loftiest titles. **They're people like you who lead from the middle.**

#### NEW LSM I&TC OF PORTSMOUTH

My name is Krystiana Pearl Carr and I am the Local System Manager for the Infant & Toddler Connection of Portsmouth. I am a wife, and mother to a beautiful 6 year old boy; we are expecting a new bundle of joy Labor Day weekend. I possess a Master of Arts in Human Services, and I have prior service in the United States Marine Corps. Something unique about me is I enjoy singing opera. I am very happy to be a part of the Infant & Toddler Connection of Virginia family. As a young child my son was developmentally delayed in multiple areas. He received early intervention services through the Infant & Toddler

Connection, and I believe those services and supports have helped him flourish into the bright young man he is today. I am looking forward to supporting other families in the same way that my family was supported. Together we will create many more success stories for families served in the City of Portsmouth.
