Interested Individuals

FROM: Mary Ann Discenza, Part C Coordinator

SUBJECT: Draft SFY 2008 Local Contract for Continuing Participation in Part C

DATE: February 07, 2008

Following this memorandum, you will be receiving an electronic copy of the Draft SFY 2008 Contract for Continuing Participation in Part C. As stated in my email of January 30, 2007, the priority of DMHMRSAS is to maximize the opportunities for stakeholder participation and input. Therefore, as a local system manager and important stakeholder, you are being invited to review the contract and provide your feedback. This process provides the opportunity for everyone to comment and provides a rich base of responses and perspective from all 40 entities.

A response form is being included for your responses. This will assist in facilitating the collection, organization and analysis of your comments. Additions to the SFY 2008 contract appear in blue print. Deletions from the previous contract appear as strikeouts in purple print.

The draft contract will also be available on our website at www.infantva.org. I encourage you to involve appropriate personnel in crafting your local response.

Please submit your responses by March 01, 2007 to:
