

Service Coordinator/Case Manager

The first three years last a life time! Full time position with the Infant and Toddler Connection of the Blue Ridge, serving Charlottesville and the surrounding counties. Join a fast paced babies team and coordinate special education supports and services to infants and toddlers (birth to 3). Position requires thorough knowledge of infant/child development; working closely with parents, schools, therapists & other professionals. Organizational skills; attention to detail & timelines a must. Willingness to travel, meet in homes & other community settings. Bachelor's degree in early childhood, psychology, social work, nursing, special education or related field required. Master's in early childhood, social work and/or Spanish language proficiency a plus. \$39,251.34 annually.
