

Speech Pathologist

Full time, benefitted position, to provide early intervention services to infants and toddlers (ages birth -3) with developmental delays or disabilities and their families living in the cities of Staunton and Waynesboro. Children served through the Infant & Toddler Connection of Staunton-Waynesboro.

Duties include transdisciplinary evaluation and treatment in a family-centered environment, primarily within the home. Requires expertise in diagnosis and treatment of very young children, including knowledge of child development. Excellent opportunity to work as a team with families from diverse backgrounds. Professional licensure in Speech-Language Pathology by the Virginia Board of Audiology and Speech-Language Pathology required. Preference given to therapists who have achieved their Certificate for Clinical Competence.

For more information, contact Stacie Jackson, System Manager, at 540-213-7355 or apply at <https://www.myvalleycsb.org/career-opportunities> .
