## STATE SYSTEMIC IMPROVEMENT PLAN (SSIP)

 3 Things  
to Know

## State Systemic Improvement Plan (SSIP) –

1. Provider Implementation Survey Coming November 5th!

As part of our SSIP, Virginia is implementing our third annual Provider Implementation Survey. By completing the survey, you will help the Infant & Toddler Connection of Virginia:

- Understand how evidence-based practices are being used in Virginia;
- Ensure you have the resources and supports you need to implement these practices; and
- Evaluate our statewide efforts to improve outcomes for infants, toddlers and their families.

Complete the online survey via the link you'll receive in an email and get **½-hour of professional development credit** toward the 30 hours required for renewing your early intervention certification.

2. Decision Tree Tutorial Available Now

A tutorial is now available to support assessment teams as they implement the new requirement for using the Decision Tree. The tutorial is a quick-reference overview of the Decision Tree and how it's used. You can find it here: <https://youtu.be/pvDxucGSXJE>

3. Resource for Fidelity Observers

A number of fidelity observers have asked for information or training on reflective supervision. Virginia's new "Bright Ideas for Successful Supervision" course addresses the basics of reflective supervision and is available for anyone to access at <https://veipd.org/elearn/>.

As a reminder, all SSIP-related materials are posted to the SSIP section of our website at <http://www.infantva.org/Sup-SSIP.htm> If you have questions about the SSIP, please contact Kyla Patterson at [k.patterson@dbhds.virginia.gov](mailto:k.patterson@dbhds.virginia.gov).

## "THE LEADER IN ME SERIES"

As you know, this series explores leadership principles that may help you in your unique leadership role whether you are a service coordinator, a provider or a local system manager. You don't have to have the most credentials or the loftiest titles to make a difference in the lives of young children and families. **They're people like you who lead from the middle.**
