

Early Intervention Awards Nomination Form

DUE DATE: 3/26/08

Early Interventionist of the Year Award

Early Interventionist of the Year Award – to recognize an outstanding early intervention direct service provider (e.g., special instructor, service coordinator, therapist) who has exhibited extraordinary effort above and beyond what is normally expected and required. A direct service provider nominated for this award must spend at least 50% of their work time providing early intervention supports and services to families and their children. A direct service provider who spends less than 50% of his/her time providing early intervention supports and services may be nominated in the Leadership category.

Early Intervention Awards recognize individuals in Virginia who have provided exemplary supports and services with or on behalf of families with young children eligible for Part C services. Nominations are received on behalf of peers from colleagues and family members. All applications must be completed thoroughly. It is important to assume that the nominee is unknown to the review committee so please be detailed and descriptive. The awards will be presented at the annual EI Conference.
