

Early Intervention Awards Nomination Form

DUE DATE: 3/26/08

Early Intervention Family Member Award

Early Intervention Family Member Award – to recognize a family member (parent, grandparent, caregiver, etc) who has contributed to the field of early intervention by giving support and strengthening ties among families and/or by reaching out to providers and/or families in his or her community and/or across the state. While a family member nominated for this award does not have to have a child currently in early intervention, the nominated family member must have had a child in early intervention at some point in the past. This category is for family members who have made contributions but have not been paid for their time. Family members who have made contributions as a paid employee within the Part C system should be nominated in the Leadership category.

Early Intervention Awards recognize individuals in Virginia who have provided exemplary service and support with or on behalf of families with young children eligible for Part C services. Nominations are received on behalf of peers from colleagues and family members. All applications must be completed thoroughly. It is important to assume that the nominee is unknown to the review committee so please be detailed and descriptive. The awards will be presented at the annual EI Conference.
