 Name: _____

Initial Self Reflection	Year 2 Review & Update	Year 3 Review & Update
Looking back at the initial training modules, what information was most useful? How has your practice changed or how do you expect it to change as a result of this information?		
	Year 1 reflection only.	Year1 reflection only.
What do you consider the professional strengths you bring to your work in early intervention?		

Early Intervention
Individual Professional Development Plan
Name: _____

Initial Self Reflection	Year 2 Review & Update	Year 3 Review & Update
What successes do you value most from your experiences in early intervention?		
Considering the children and families with whom you work, what skills and knowledge would you like to enhance to better meet their needs? Do you see emerging needs that will require different skills and knowledge?		

Early Intervention

Name: _____

Directions on completing goal pages: List the professional goals selected for your professional development and identify strategies/actions you plan to undertake to reach the goal. Include how you plan to measure your progress. During your yearly review, reflect on your progress and complete the appropriate yearly review section. Create additional goal pages, as needed.

Goal # 1:	
Strategies/Actions	Measurement of Progress
Year 2 Review	
<input type="checkbox"/> Achieved <input type="checkbox"/> On-going <input type="checkbox"/> Modification:	How have you USED your new knowledge and/or skills?
	How has your progress impacted the families you serve?
Year 3 Review	
<input type="checkbox"/> Achieved <input type="checkbox"/> On-going <input type="checkbox"/> Modification:	How have you USED your new knowledge and/or skills?
	How has your progress impacted the families you serve?
